Possible Direct Exposure:

Dear Staff, Volunteers, and Parents,

Please be advised that Christ the King is aware of a situation in which a member of Full Circle, one of our on-site Vendors, was on site on the dates of Thursday 7/23, Friday 7/24, Saturday 7/25, and Sunday 7/26, and has tested positive for COVID-19.

Per CDC guidance:

*If you were **within 6 feet** of any teacher, volunteer, staff member, or parishioner other than your family members for **more than 15 minutes**, you may have been exposed to someone who has tested positive with COVID-19. You should self-quarantine for 14 days from the date you had close contact and closely monitor yourself for any symptoms of COVID-19.*

A close contact is defined as anyone who was within 6 feet of an infected person for at least 15 minutes starting from 48 hours before the person began feeling sick until the time the patient was isolated.

If you or your household begins showing any symptoms of COVID-19, please immediately seek testing and notify your physician.

Unfortunately, because of the large amount of possible exposure since our volunteers, teachers and students share the same common areas as our Vendor we have made the decision with the help and guidance of the Diocese of Kansas City- St. Joseph to quarantine for a period of two weeks from today.

Staff and students may return to Christ the King on 8/10/2020. We apologize immensely for any and all inconvenience this may cause. Questions and concerns may be directed to the Parish Office.
